

TNS - TechNoSin Update

Ministry Update of the TechNoSin.org Mission – Gary Becker

A Quiet Launch

Eight years ago ... The TNS Mission began with a simple message entitled "TechNoSin" presented to a small youth group.

Eight years later ... God has led Dorinda (my dear wife of 42+ years) and me into a full-time focus on this ministry.

A Clear Mission

SALVATION: To point each eternal soul to the Cross of Jesus

SANCTIFICATION: To point each delivered soul to the Character of Jesus – particularly in our digital world

THE LOCAL CHURCH: To point each maturing soul to the Church of Jesus – specifically a solid Bible–preaching and Bible–practicing assembly of believers for the discipleship fulfillment of our Lord's "Great Commission" (Matthew 28:18-20)

A Dedication Challenge

To DEDICATE each and every screen selection to the Glory of God **or be willing To DESTROY** the offending screen in a radical application of our Lord's admonition in Mark 9:47, *And if thine eye offend thee, pluck it out: it is better for thee to enter into the kingdom of God with one eye, than having two eyes to be cast into hell fire: NOT the METHOD to enter the Kingdom BUT the PROBLEM of a sinful heart directing the offending eye, showing us the need of a Perfect Savior and a Radical Amputation under the cultural application of if thine iPhone offend thee...*

TNS Calendar/Goals

We desire to minister in churches, schools, and camps. Please contact us at TechNoSinHelp@gmail.com or call 610.791.3030 with your questions or interest.

- The desire to print thousands to millions of Gospel Stickers & Tracts to place the Challenge into the hands of countless precious souls – Let us know if **we can print tracts with your church’s information**
- The February 2023 **Super Bowl Event** – said to be the most TRAFFICKED weekend of the calendar year. We have been blessed to literally stand in the face of that sad reality, giving out thousands of Gospel tracts and witness at the last four Super Bowl events
- An ongoing evangelistic effort which I refer to as the **RIOTS & RALLIES Division** – taking the TNS Ministry to needy individuals and the assembled crowds of our day
- The need to fund the TNS Mission as we pray for many to partner together with us **technosin.org/donate-now**
